ABOUT

Information Technology student with a passion for Software Testing and Front-End Development. I am a motivated and detail-oriented individual who enjoys solving problems, learning new technologies, and developing user-friendly applications. As a World Champion dancer, dance teacher, choreographer, and adjudicator, I have developed strong leadership, communication, and teamwork skills that complement my technical abilities. I am eager to begin my career in software development or quality assurance while continuing to grow professionally.

EDUCATION

Final Year BSc Information technology student
North West University
2024 - 2026

EXPERIENCE

Dance Judge

2026 - PRESENT

Multiple Companies

Adjudicated at regional and national dance competitions serving as qualification events for World Championships. Assessed performances against established judging criteria, delivered detailed verbal critiques and constructive feedback, and maintained fairness and consistency throughout the judging process.

Dance Teacher / Choreographer

2017 - PRESENT

Red Robynne Studios

Dance Teacher and Choreographer specialising in Modern, Hip Hop, and Tap. Responsible for training, mentoring, and choreographing competitive dancers, with students achieving qualification for and competing at international World Championship events.

Salesperson (Managerial Responsibilities)

2017 - PRESENT

Malachite Graphix

Act as the main point of contact for customers, delivering exceptional service while managing sales and custom clothing orders. Represent the company at events, guiding customers through the design and ordering process for bespoke garments.
